WOMEN'S DISCERNMENT RETREAT
PRAIRIE STAR RANCH – WILLIAMSBURG, KS.
JANUARY 19-20, beginning at 5:30

MARRIAGE MINUTE

THE DISPOSITION TO LISTEN

Research tells us that children develop secure attachments to their parents when their needs are met consistently over a long period of time. This repeated care leaves the children free to learn and grow in a healthy way. As parents, we instinctively know this. Although it is not convenient to answer a child's cries at 3 a.m., we don't think – we just do it because we know it is important!

The same consistent attention is needed for our spouse if our marriage is to be healthy. One need in marriage, especially for wives, is to be heard. We would do well to have the disposition of Samuel in this weekend's readings when he tells God, "Speak, Lord, for your servant is listening!"

For practical strategies on how to be a better listener, check out the *Every Day In Love Marriage Empowerment Series*: www.archkck.org/everyday
