**MARRIAGE MINUTE**

Is St. Paul crazy? On face value, it seems that St. Paul says that marriage is an obstacle to personal holiness? Is this true, or is it a misinterpretation of the Apostle? Since Marriage is a sacrament, the path to holiness through this vocation must be attainable. The key is to accept love of spouse and family as our primary way to holiness.

As Pope Benedict says, “If an individual is to accept himself, someone else must say to him, it is good that you exist.” Family is the God-appointed place where this happens. In light of this comment, we see the eternal purpose of family actions like:

- Tucking our kids into bed at night
- Comforting our discouraged spouse
- Spending time with an ailing parent
- Encouraging an apprehensive child
