**MARRIAGE MINUTE**

Have you ever heard someone say, in regard to their spouse, "He/She was made for me?" According to this weekend's readings, men and women really are made for each other. We have strengths that complement each other so that we are stronger together than apart, and that was God's plan from the beginning! Here are some ideas on how to make those differences work for you:

- Look for the good in your spouse's approach to things
- Reflect on how his strength, focus or logic is beneficial to your relationship
- Reflect on how her ability to multi-task, attend to needs, or appreciate beauty benefits you both

When we delight in each other's masculinity or femininity, we become a couple that "no one can separate!"
